

WHAT IS GRACE PROMISE?

It is by God's **GRACE** that the Christian is able to give to the Lord.

It is a **PROMISE** in that the believer plans ahead of time what he will give to finance the work of the Great Commission.

GRACE PROMISE is the means God uses to finance the task of world evangelization through our local church.

Grace is God doing for the believer what he does not deserve and cannot do by himself.

GOD ENABLES

REACH THE WORLD FOR CHRIST

ABOVE AND BEYOND ONE'S REGULAR GIVING

COMMITMENT IS REQUIRED

EVERYONE IS TO BE INVOLVED

- † All true giving begins with the grace of God (2 Cor. 8:1,2).
- † Grace giving is not based on human resources.
- † Our needs are the opportunity for God to work and provide for us.
- † Grace giving results in blessing for the giver
- † Plan your financial commitment to world missions (Grace Promise Plan) for the coming year
- † Indicate the amount you plan to give, by God's grace, on the Grace Promise card and place the card in the offering box or do it online.
- † Pray and ask God to supply the money you wish to give to world missions each day of the year.

GRACE PROMISE IS MY DEPENDENCE ON GOD TO SUPPLY FOR ME THAT HIS SALVATION MIGHT REACH THE WORLD.
